Subject: Compensation Lists

Attach: points_by points 051208.pdf; point_alpha 051208.pdf; Document.pdf

To: Members of the Executive Committee

Attached are two versions of the final compensation schedule, one in alphabetical order and one in band order. Both schedules list points only. These schedules should be available for review upon request by members of the firm. In order to try and keep this highly confidential schedule from leaking outside the firm (last year's compensation list made it to the American Lawyer), copies should not be given outside of the Executive Committee, with the following exception.

In order to accommodate partners in offices where there is not an Executive Committee member (or members), the compensation schedules will be made available to certain office managing partners or other designees as per the attached list.

Thank you.
